JUDGMENT

ON the 9th day of April, 2015 came on to be considered the above-entitled and numbered cause of action. Both parties appeared in person and by attorney of record. The Court finds that it has jurisdiction over this matter pursuant to 28 U. S. C. §§ 1334 and 157 and 11 U. S. C. §§523 and

105 and that this matter is a core proceeding within the meaning of 28 U. S. C. §157(b)(2)(1). The Court having considered the Complaint, the evidence presented at trial and argument of counsel is of the opinion Judgment should be granted in favor of the Plaintiff. Said Judgment is based upon the findings of fact and conclusions of law recited on the record by the Court on May 19, 2015 to be filed of record by this Court. Subsequently Defendant appealed the Judgment signed by this Court to the United States District Court for the Northern District Texas Fort Worth Division. The District Court then remanded the case back to this Court for findings concerning the theory of law upon which the Court based its award of damages. This Court having considered same finds that the correct measure of damages is the out of pocket measure of damages as the investment had no value at the time the funds were delivered.

IT IS THEREFORE, ORDERED, ADJUDGED AND DECREED Plaintiff Morris Family Trust Partnership have and recover, of and from Defendant Joel Lenamon, damages in the amount of \$333,807.31, based upon the out of pocket measure of damages.

IT IS FURTHER ORDERED The Plaintiff's claims and Judgment against the Defendant/Debtor under the obligations are excepted from discharge pursuant to 11 U. S. C. §523(a)(6).

IT IS FURTHER ORDERED, that the forgoing Judgment accrue post judgment interest at the rate of 2.3% per annum from the date of this Judgment until collected in full. All costs incurred by each party in bringing this action shall be paid by the party incurring same.

All other relief requests but not granted herein is hereby denied. This Judgment disposes of all claims and all parties, and it is final and appealable.
